The following services are currently available to member schools. Simply select the service that you desire to utilize regularly.

\_\_\_ **Accreditation Services** = \$200.00 one time application fee

This service will provide accreditation standards for which schools may voluntarily participate. Upon completion of the required assessments, your school will be awarded accreditation through NAPHS. The task is expected to take no more than 6 to 8 months to complete.

\_\_\_ **Background Check** = \$24.00 per search

Today, safety is the main concern for a lot of parents. This service offers a peace of mind to those sending their children to your school. It confirms your dedication to safety and security. Select any member of your faculty for a background check and the information will be made available within 2 to 3 business days.

\_\_\_ **Book Club** = free with membership

You can never learn too much. Our book club meets often for lunch or through an online forum to discuss the latest topics in education. It is a wonderful opportunity for administrators to share their views and study new concepts from other educational professionals that may prove to be helpful.

\_\_\_ **Emergency Alert** = free service with membership

School safety remains a top priority to any school administrator. This feature turns your school telephone into an alert receiver that allows you to receive real time severe weather alerts and community hazards that may effect the operation of your school. As a member school, we would notify you of recommendations to cancel classes or to dismiss classes early. In addition, if severe weather strikes you are notified immediately to take action to protect your students. We are so confident with the measure of safety this service provides that we offer it free to all of our member schools if you choose to use it.

\_\_\_ **Grant Watch** = \$5.00 per month

This service is designed to keep you posted on grant opportunities that are geared directly towards programs and services that you wish to establish. We review all grants available and match your needs to the eligibility requirements of that grant. If there is a match, you will be notified of that grant offer.

\_\_\_ **Human Resources** = \$25.00 per month

This service is available to assist member schools in finding qualified candidates for positions which may be open. In addition, we post vacancy announcements through the website to notify those seeking employment. We also provide centralized administrative support for all member schools utilizing this service.

\_\_\_ **Teacher Certification** = \$3.00 per staff member annual fee

Motivate your staff to pursue professional licensure through our Certification services.

## **Conferences, Conventions & Workshops**

We schedule events throughout the year which target various professional staff among the school. These opportunities are perfect for learning and growing as educators. It is also a great opportunity to network with other schools who may share your vision.

## **Early Education Services**

Lock in on professional opportunities for those who choose to work with the youngest students. Through conferences, workshops, and curriculum development training, we inspire greatness within the early education professional. We target child care facilities, creative schools and day care centers.

## **Student Activities**

This service grants students the opportunity to interact with students from other private and home schools. It is the perfect time to help students develop as leaders and team players in various events such as spelling bees, math competitions, various athletic events, etc.

## **Student Assessment**

Evaluate the development and growth your students are making through our Testing Services. Members benefit from major discounts on the pricing of their testing orders.

## **Student Leadership Programs**

The student leaders of our member schools come together to discuss their ideas in reference to activities and events they would like to see developed. They work together as a governing body to plan and execute their own events and programs. Much of the student activities are derived from this group of student leaders. These leaders will also facilitate projects within their schools and address the concerns of their student body.
